## PRODUCT DESCRIPTION

**Designer:** Astro Design Team

### Astro Leo Switched LED Wall Light

Astro Leo Switched LED Wall Light is a recessed reading light with an integrated 4W LED, a 3000K colour temperature, 193 lumens, and a 21° beam, which keeps the output focused for bedside and task use. The fitting is switched on the backplate, wired in, and non-dimmable, with no separate driver required.

Finished in Matt Nickel or Bronze, the brass body is mounted vertically and rated IP20 for interior use, including bathroom zone 3. The head is adjustable for directional light, and the recessed backplate keeps the overall look compact against the wall.
