PRODUCT DESCRIPTION

Designer: Astro Design Team

Astro Oslo LED Wall Light

Astro Oslo LED Wall Light is an exterior wall light with light cast both upwards and downwards. The simple aluminium body gives a clean wall-mounted form, while the clear glass diffuser protects the integrated LED light source.

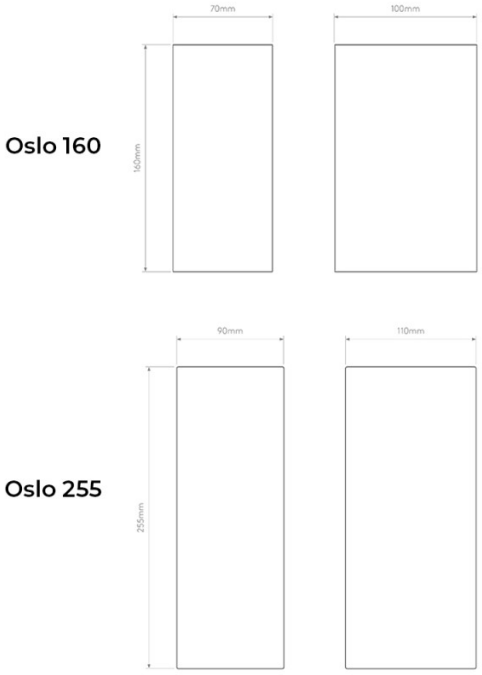

Oslo is available in two sizes, 160 and 255. Both versions are available in Textured Black and Textured White, and both produce a warm 3000K light.

Oslo is rated IP65, making it suitable for outdoor use and bathroom zones 1, 2, and 3. It is wired in, Class I earthed, non-dimmable, and suitable for mounting on flammable surfaces. This product is not suitable for installation within five miles of the coast.

Best suited to exterior walls, entrances, patios, garden walls, pathways, porches, and bathroom wall lighting.
