PRODUCT DESCRIPTION

Oslo LED Wall Light by Astro

A double emission exterior light, the Oslo wall by Astro, is available in four finish options, matt concrete, textured black, textured grey or textured white and in 2 sizes, the smaller 160 and the larger 255. The wall light is equipped with an integrated LED light source and emits a soft light both upwards and downwards.

The wall lamp is not dimmable, but has been spray tested (1000 hours) and IP65 rated, allowing you to use it in exterior settings or bathrooms (zones 1, 2 and 3). A minimalist and stylish choice to suit all of your needs.
