Clavius Floor Lamp by Axolight

Created by renowned Italian designer, Manuel Vivian for Axolight, the Clavius floor lamp has a refined and streamlined silhouette. As with most Clavius lights, the body is available in a choice of chrome or gold finish. The base is paired with a rectangular shade, covered with hand-made silk in three colours: white, sand or tobacco. You can tailor the brightness of the light using the in line dimmer, when the lamp is used with a dimmable light source.

Clavius floor lamps can be placed in any interior space, living room, bedroom, office, seating area, reception. A lamp that is perfect for use both in hospitality, as well as residential and commercial settings. The colour options allow you to pick the Clavius lamp that will match your interior decor, instantly adding a decorative element to it.
