Vibia I.Cono 0720 LED Wall Light

The I.Cono wall light is part of the Vibia I.Cono collection, designed by Lievore, Altherr, and Molina. The wall lamp features a slimline, conical lampshade which is simple and elegant. This is supported by a sturdy metal wall base, which also has an on/off switch for ease of use.

The I.Cono wall lamp is available in a subtle white, beige or black-grey colour finish, meaning you can use it in virtually any space. The lampshade of this wall light is also movable, allowing you to direct the light where needed. Perfect for use as a bedside lamp, in lounges, corridors, stairwells and more, the I.Cono 0720 wall lamp is a sleek and stylish choice for any interior.
