Vibia Puck Double LED Wall / Ceiling Light

The Vibia Puck Double Wall/Ceiling Light is an evolution in the collection, consisting of two overlapping circular forms fitted with an LED light source and producing a warm glare-free illumination. Designed by Jordi Vilardell, this light can adapt to a range of contemporary interiors and provides you with an elegant and minimalist lighting solution. The Vibia Puck Double is fitted with a matte opal triplex glass diffuser which creates an even dispersion of light and makes the design appear seamless.

This sleek LED Wall Light is a great addition to kitchens, hallways, dining spaces and even workspaces. It can also be a functional and aesthetic addition to commercial spaces in the hospitality sector. The **Vibia Puck collection** also allows you to choose a single or triple lighting solution for your space.
