FontanaArte

Fontana Arte Riluminator Floor Designed by Pietro Chiesa.

Riluminator is the makeover of Luminator designed by Pietro Chiesa in 1932. This lamp shares with the classic icon floor lamp not only its geometric, torch-like shape, but also the direction of its light source. Reworked in a plastic technopolymer produced with "rotation" technology, the body is cylindrical at the base, opening out as it rises to create a cone-shaped trunk that characterizes the design of the object, it houses and hides the LED light source.

Dimming: Non-dimmableNon dimmable.

Dimensions:

Height 184cm

Diameter 29cm

Colour:White
