Fontana Arte Bolla Pendant Light

Named after the Italian word for “bubble,” the Fontana Arte Bolla Pendant Light is inspired by the mesmerising appearance of soap bubbles. Its blown glass diffuser has a unique iridescent finish, which casts rainbow reflections, adding a touch of whimsy and elegance to any setting. Suspended by a striking blue cable and anchored by a sleek chrome canopy, Bolla is available in two distinct sizes: a smaller version at 33cm in width and a larger, more expansive 51cm in width.

The Bolla pendant light suits contemporary interiors, whether hung individually as a subtle statement or grouped in multiples to create a captivating, luminous display. Perfect for adding a playful, yet refined ambience to living rooms, dining areas, or open spaces, Bolla balances artistry and functionality in a truly distinctive form.
