Fontana Arte Avico Pendant Light

The Fontana Arte Avico pendant light is a big impact suspension with a grand size of either 120cm or 160cm. Designed in 2006 by Charles Williams, the Avico pendant provides a clean, bold silhouette making it suitable for a variety of applications both residentially and commercially.

The Avico pendant is available in a black or white finish, with a white interior to maximise light output. Fontana Arte also offer an optional closing disk with telescopic stem which is a bottom disc that covers and hides the light sources, providing further diffused and glare free light. For further details, availability and pricing of the bottom disk please [contact us](#).
