Catellani & Smith

Catellani & Smith Lederam W1 Ø25 Wall Light.

Lederam is the latest evolution of Eco-Logic Light and combines LED technology with a new copper leaf finish. These small discs with their soft, warm colour enclose a next-generation mains voltage LED module, so no transformer is required and they can be easily dimmed.

Made of metal base and aluminium disc with nickel joint; available in different combinations of colours: black disc and black base; disc lined with gold or copper coloured leaf and black base; white or chrome disc and white base.

Also available in a chrome finish **For further details, pricing and orders please [contact us](#).**

Dimming: Dimmable using trailing edge dimming
