PRODUCT DESCRIPTION

Designer: Oki Sato

Louis Poulsen NJP Long Arm Wall Light

Designed by Nendo founder Oki Sato, the NJP Long Arm Wall Light is the perfect solution for a reading or task light that takes up minimal space. It boasts an adjustable shade and a flexible arm so you can direct the light where you need. This lighting solution is also available in 4 lovely colours, and the integrated LED light source makes it eco-friendly and long-lasting.

The Louis Poulsen NJP Long Arm Wall Light can be used in many interiors, such as bedrooms, lounges and offices, to provide a warm, ambient light that is also effective. You can choose between a colour temperature of 2700K (warmest white) or 3000K (warm white) to create the right atmosphere in your space. Use in commercial settings or homes and match with other lights from the **Louis Poulsen NJP Collection**, the NJP is also available in a more compact size, as the **NJP Wall Light**.
