FRITZ HANSEN

Night Owl Table Lamp by Fritz Hansen

Designed by Nikolai Wiig Hansen in 2015, the Night Owl table lamp was created from wanting to design a Nordic cosy light. The lamp is made with a lovely asymmetric oval shade that has an intriguing and unique look and the base is conical, completing the overall aesthetic. The bottom of the shade has a diffuser, to create a warm glow that is glare-free and atmospheric.

The Night Owl table light is available in 2 colours, midnight blue and smokey white, with a base either in the same colour or with an organic ash wood finish. The two colours also get their names from nature with smokey white resembling the dazzling light of the full moon and the midnight blue named after the blue tone of the twilight sky. Both magical and gorgeous, this table lamp can be used in a variety of spaces and the small size makes it great for bedside tables, shelves and window sills.

Designer: Nicholai Wiig Hansen

IP Code: 20

Dimming: In line on/off switch included on cable

Dimensions:

Ø23.5cm

23.9cm height

2m cable length

Colour:Midnight Blue 52698203

Smokey White 52698305
