PRODUCT DESCRIPTION

Designer: Steve Jones and Frankie Chan

Innermost Core Pendant Light

The Core pendant, designed by Steve Jones and Frankie Chan, captures the organic beauty of molten glass. Each piece, hand-blown in the Czech Republic, reflects artisanal quality and precision. The pendant’s thick-walled glass structure gives it a timeless presence, creating a soft, inviting atmosphere when illuminated. Available in Clear or Smoke finishes, the Core pendant adds understated elegance to any room.

With its flexible design, the Core pendant can be paired with a range of E27 or E26 bulbs, including retro-style filament or frosted globe options, enhancing its versatility. The choice of white braided cables for the Clear finish and black braided cables for the Smoke finish ensures a cohesive aesthetic. Whether used individually as a focal point or arranged in clusters for dramatic effect, the Core pendant light provides a modern yet refined lighting solution for homes, offices, and commercial spaces alike.
