Innermost Boule Suspension

The Innermost Boule pendant light is an elegant, spherical spotlight that brings refined simplicity to any interior. Designed with a polished metallic finish, Boule makes a striking statement on its own or as part of a cluster, creating a focal point in any room. The pendant's stainless-steel body reflects its surroundings, adding dimension and a touch of sophistication. Boule's braided cable, in coordinated colours, ensures a seamless look, with the option of up to 4m length for flexible placement.

Built to use most GU10 spotlight bulbs, the Boule pendant offers versatility in both colour temperature and beam angle, adapting to your specific lighting needs. Available in chrome, copper, black, and white, Boule easily complements a wide range of interiors, whether used as an accent light in modern homes or a spotlight in commercial settings. The minimalist design and high-quality materials make this pendant a stylish choice for focused, ambient lighting.
