### Davide Groppi TeTaTeT LED Portable Lamp

Davide Groppi designed the TeTaTeT LED Portable Lamp, creating a timeless and iconic lighting solution. The inspiration behind this collection of colourful portables was to illuminate each dining table beautifully. TeTaTeT Led Portable Lamp is a decorative yet functional piece; the magnetic base is detachable and can be hidden under a tablecloth to create the illusion that the lamp can balance on its slender stem. This minimal lamp instantly draws the eye and creates a unique ambience with a wide variety of eight colours to choose from.

Portable and rechargeable, the TeTaTet LED Lamp has a battery life of approximately 12 hours, allowing hours of illumination in any environment, whether it's commercial or residential. TeTaTet evokes the expression of freedom. Each table lamp is fitted with touch technology and comes with a charger.
