PRODUCT DESCRIPTION

Designer: Jorge Pensi

Bover Non La A/03 LED Wall Light

The Bover Non La A/03 LED Wall Light is a smaller version of the [Bover Non La A/04 LED Wall Light](#). Designed by Jorge Pensi and inspired by the Vietnamese hat of the same name, this wall light offers a sleek and stylish lighting solution to contemporary spaces. The stripped back design, as well as the modern materials offers an Avant Garde touch to your space, the lamp is crafted from aluminium with a polycarbonate diffuser, and it utilises an asymmetrical shade.

Available in a range of colours, the Bover Non La A/03 LED Wall Light can blend into a range of interiors and suit your personal style. The lamp can also swivel on the base in order to direct the light to where you need it most. Thanks to the diffuser, the Non La emits a direct but glare free downlight, which can be easily dimmed. This stylish wall lamp is a beautiful addition to bedrooms, kitchens, workspaces and almost any contemporary commercial space.
