PRODUCT DESCRIPTION

Designer: Alex Fernández Camps & Gonzalo Milá

Garota PF/01 LED Outdoor Ceiling Light by Bover

The Garota LED outdoor ceiling light is part of the Bover Garota collection, a range designed by Alex Fernández Camps & Gonzalo Milá in 2015. The designers were inspired by the shell of sea urchin, interpreting this to create a lampshade that is woven, creating a noticeably textured and domed silhouette.

The Garota LED outdoor ceiling lamp is **available in 2 shade colours, brown** or **ivory white** and also with the choice of **2 ceiling rose finishes, natural white** or **graphite brown,** so you can find the right colour for your exterior. The included LED light source is held inside a frosted globe that both protects and emits a warm glow. You can use in patio, garden, gazebo or canopy area that have an overhead structure to provide a lovely, welcoming light as the night sky comes over. Chic and rustic, buy one for a small space or buy several for larger areas.
