Bover Garota Hang Outdoor LED Pendant

The Garota Hang Outdoor is a small portable LED pendant lamp made of aluminium, it can withstand exposure to the elements and boasts an IP66 rating. Bover Hang Outdoor Pendant has an LED light source, protected by a frosted, polyethylene globe of medium density and UV protection. The electrical cord is also protected with waterproof neoprene coating which encases a driver for the LED.

The Hang Outdoor Pendant was designed by Alex Fernández Camps & Gonzalo Milá for Bover; the structure allows for temporary flexible placement on numerous outdoor locations such as tree branches, overhangs or fences. The Garota LED Outdoor Pendant Light is **available in 2 shade colours, brown** or **ivory white** and also with the choice of **2 ceiling rose finishes, natural white** or **graphite brown,** so you can find the right colour for your exterior. Perfect for illuminating your garden, patio or decking area for a sprinkle of light that creates a personal sanctuary.
