PRODUCT DESCRIPTION

Tom Raffield No.1 Pendant. The beautiful sculptural form of Tom's iconic No. 1 Pendant has been redesigned for spring 2015. Over the years Tom has created pendant lampshades of varying sizes and using different wood types. Tom champions this new design as being perfect in proportion and suited to hanging singularly but also in clusters.

Steam bent strips of ash (pale wood), oak (medium wood) or walnut (dark wood) are woven, coiled and twisted around one another to produce a unique and stunning globe lampshade whether you have the light on or off.
