Resident Mesh Space Wall/Ceiling LED

SOURCE: <https://www.davidvillagelighting.co.uk/product/Resident-Mesh-Space-WallCeiling-LED/17386>

PRODUCT DESCRIPTION

Resident Mesh Space Wall/Ceiling MSW001.

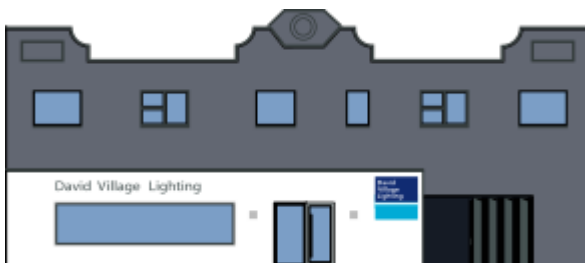

Like the Mesh Space Pendant, the matching wall light is constructed around a seamless ring of LED light. Here it floats vertically to create a warm and functional light loop. The flattened mesh dome reflects light into the space and then filters the light onto the wall. The LED driver is contained within the base for easy installation and new retro-fit interior projects. It can be used on walls or directly onto the ceiling.

PRODUCT SPECIFICATION

Light Source: 14W, 2700K, 1020lumens

Dimming: Dimmable via 1-10V dimming systems. Please consult your electrician, additional wiring may be required on site.

Dimensions: L250mm x W250mm x H120mm
