## Resident V Wall LED

LA4463

SOURCE: <https://www.davidvillagelighting.co.uk/product/Resident-V-Wall-LED/17399>

### PRODUCT DESCRIPTION

Resident V Wall.

V is a cantilevered feature wall light made of brass. It's two outreaching arms trace an equilateral triangle in space. Part of the Geometric family, the V Wall light contains a warm LED light source which projects both down at the ground and up against the wall. The light can be suspended from the wall in a variety of ways.
