PRODUCT DESCRIPTION

Designer: Patricia Urquiola

Serena LED Table Lamp by Flos

Inspired by nature, the 2015 Serena design by Patricia Urquiola is an adjustable table lamp which provides indirect and reflection light emission. Mimicking a leaf blown by a gentle breeze and dancing through the wind, the Serena table lamp features a reflector which can be directed to obtain an intense, precisely reflected light.

Sensuous and delicate, the Serena LED table light features an extruded aluminum heat sink, photoengraved black polycarbonate (PC) cut-off, and a photoengraved optical Polymethyl methacrylate (PMMA) diffuser. The reflector is sheared and folded pre-anodized aluminum available in three colour finishes; copper, aluminium and black.

PRODUCT SPECIFICATION

Light Source:	13W, 2700K, 643 lumens
IP Code:	20
Dimming:	In line dimmer included on cable
Dimensions:	26.8cm width 63.4cm height 15.2cm base height Ø7.8cm base 200cm cable length
