PRODUCT DESCRIPTION

Designer: Paolo Lucidi & Luca Pevere

Foscarini Aplomb Large LED Pendant

An expansion of the [Foscarini Aplomb Collection](#), the Aplomb Large Pendant has a raw and industrial feel with its concrete finish. Available in various finishes which celebrate its personality, the Fioscarini Aplomb Large Pendant brings together different styles, from the traditional grey of cement in its raw state, which adds depth, to a stylish white hue, and a warm intense brown.

This larger Aplomb Pendant can be used singularly or as part of a series and is brilliant for use in more extensive interiors. The integrated LED means this light is long-lasting and will not disappoint in a wide variety of settings. Suitable for homes, offices and commercial spaces, this intriguing and modernistic pendant will catch the eye and amaze everyone who sees it.

Please Note: This version of the Foscarini Aplomb Large LED Pendant is non-dimmable. It is also available in a dimmable version, please [contact us](#) for more information and pricing.
