Astro Thurso Oval Coastal Wall Light

Astro Thurso Oval Wall Light is a cast brass exterior and bathroom light with a frosted glass diffuser, suitable for wall or ceiling mounting. Its oval form gives a practical bulkhead-style fitting for spaces that need a robust light with a simple brass finish.

The frosted glass softens the view of the lamp inside, making the Thurso Oval useful for entrances, exterior walls, utility spaces, and bathroom areas where a more diffused light is preferred. The cast brass finish gives the fitting a solid, functional look, rather than a painted or plated surface.

With an IP44 rating, the Thurso Oval is suitable for exterior use and bathroom zones 2 and 3. It is wired in, unswitched, dimmable, depending on the lamp selected, and suitable for mounting on flammable materials. Most suited to porches, exterior walls, utility areas, bathrooms, and covered entrance spaces.

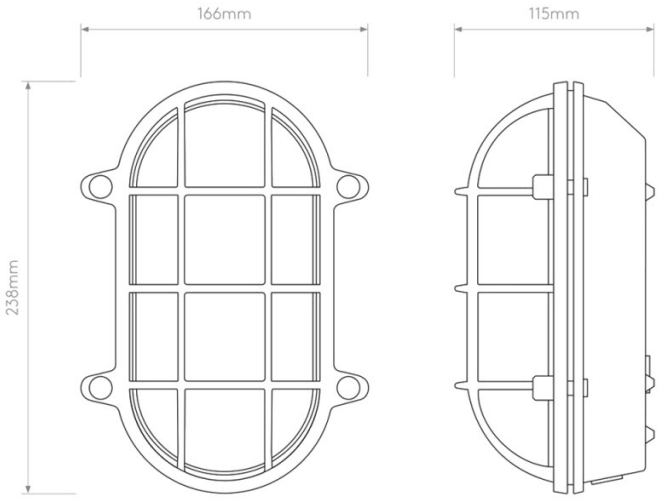

PRODUCT SPECIFICATION

Light Source: 1 x Max 42W E27/ES (Excluded)

IP Code: 44

Dimming: Dimmable via mains phase dimming.

Dimensions: Height: 23.8cm
Width: 16.6cm
