PRODUCT DESCRIPTION

Light Attack Moonlight LED Outdoor Spotlight

This handy spotlight emits a warming 3000k beam of light that is ideal for lighting your way in gardens and outdoor settings. The 3W LED gives a soft glow that is great for highlighting garden detailing and shrubbery.

Available in a grey or brown colour, you have the choice to make these lights camouflage themselves into the setting or show them off. The hardy aluminium body and stand have an IP rating of 66, which makes it outdoor-friendly and a reliable fixture in your exterior spaces.

Please Note: This light is fitted with an integrated driver so it can be wired straight into the mains.
