Fontana Arte Yumi LED Floor Lamp

The Fontana Arte Yumi Floor Lamp, designed by Shigeru Ban, brings a harmonious elegance to modern interiors. "Yumi" translates to "bow" in Japanese, embodying the lamp's arched form and refined simplicity. This design uses a minimalistic silhouette with a strong yet lightweight structure, achieved by a composite material coated in carbon fibre, finished with a glossy, brushed surface.

Yumi's seamless integration of 170 discreetly embedded LEDs enhances its continuous curved form, casting a soft, warm downward light ideal for creating intimate atmospheres in any setting. With a timeless design, Yumi's understated sophistication adds character to a wide range of interiors, balancing distinct style with subtlety.
