PRODUCT DESCRIPTION

Designer: Markus Johansson

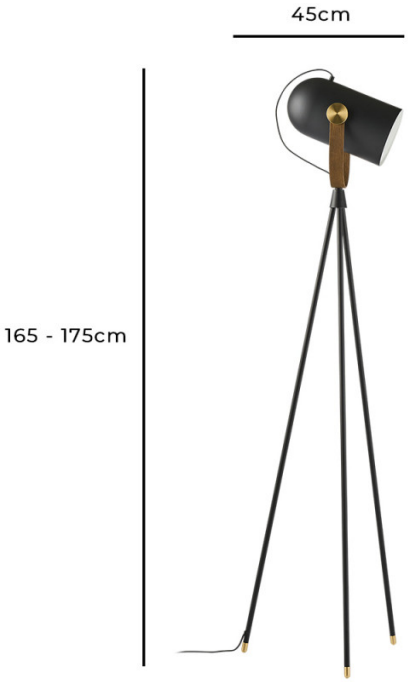

Le Klint Carronade II Floor Lamp

Markus Johansson's Carronade II Floor Lamp for Le Klint is a beautifully executed design that exhibits expert craftsmanship at its finest. The metal shade seems to balance gracefully on top of an elongated geometric aluminium stand. The wood finish is available in smoked oak or black oak and creates an effective contrast next to the black shade and brass details. The clean lines and high-quality materials used for the Carronade II will complement any contemporary interior.

The Carronade is Le Klint's adaptation of a classic reading lamp, expertly blending modern Scandinavian design with classic craftsmanship. Its rotating head means that light can easily be directed to where it's needed. This functional lighting is ideal for use as a reading light beside a sofa or a task light next to an office desk. The sleek, minimalistic profile will add a touch of elegance to the room, whether displayed alone or alongside the **Carronade II Pendant.**
