PRODUCT DESCRIPTION

Designer: Harrit - Sørensen + Samson

Le Klint Snowdrop 120 Pendant

The Snowdrop pendant was created by Thomas Harrit, Kim Samson, and Nicolai Sørensen. The trio of designers collaborated to produce the Snowdrop, which infuses Le Klint's DNA with a contemporary touch. The name references the snowdrop flower, which shares the same delicate beauty as the pendant. Its pleated shade is a feature synonymous with Le Klint and is available in plastic foil or paper. While both are similar in appearance, the foil shade is fire-retardant and UV-resistant. The paper shade patinates over time, attaining a golden hue to its white colour.

The Snowdrop pendant has a soft light and an organic feel, a perfect reflection of how traditional craftsmanship can be transformed into modern design. Hang as a singular pendant or line several pendants in a row to create a captivating lighting feature. Create maximum impact by mixing and matching between the several sizes available. Suitable for home and commercial environments, this pendant is perfect for lounge and dining areas.

PRODUCT SPECIFICATION

Light Source:	**Small:** 1 x Max 40W E27 (Excluded) **Medium & Large:** 1 x Max 60W E27 (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	**Small:** Ø20cm Height: 14cm **Medium:** Ø30cm Height: 20cm **Large:** Ø43cm Height: 25cm Cable Length: 300cm
