PRODUCT DESCRIPTION

Designer: Øivind Slaatto

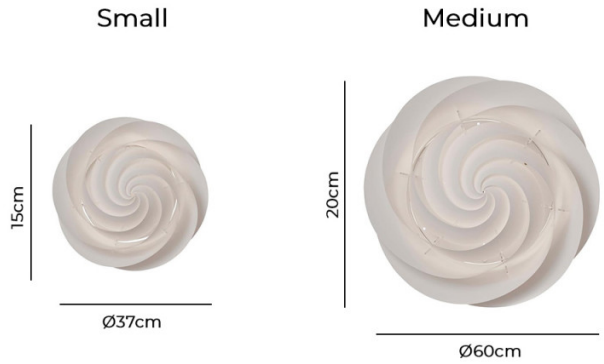

Le Klint Swirl Ceiling / Wall Light

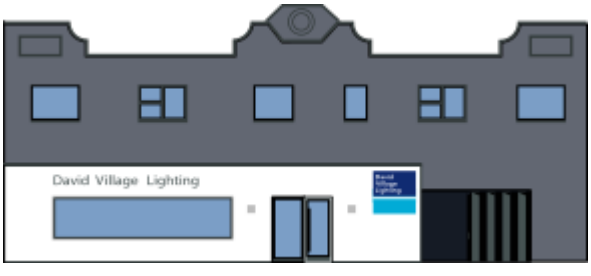

The Swirl ceiling and wall light was designed by Øivind Slaatto in 2014. Originally conceived from his interest in fractals and a snail's shell, Slaatto has produced a wall/ceiling light that expertly blends his interests with Le Klint's DNA. The curved slats soften light from within, diffusing the light into a glare-free glow that adds ambience to the room.

The Swirl ceiling and wall light is available in two sizes and two finishes - white and copper. This gives you the freedom to choose a size and colour that perfectly suits your décor. The shade sits flush to the wall, making it an ideal lighting solution for smaller spaces or rooms with a low ceiling. Install the Swirl light on its own, in pairs framing a doorway, or in rows lining the length of a hallway. Display with other pieces from the **Swirl Collection** to create a cohesive theme throughout your home.

PRODUCT SPECIFICATION

Light Source:	**Small:** 2 x Max 25W E27 (Excluded) **Medium:** 2 x Max 40W E27 (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	**Small** Ø37cm Height: 15cm **Medium** Ø60cm Height: 20cm
