PRODUCT DESCRIPTION

Designer: Øivind Slaatto

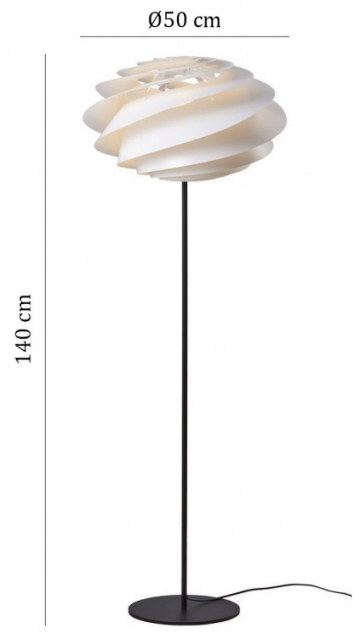

Le Klint Swirl Floor Lamp

Designed by Øivind Slaatto in 2016, the Swirl floor lamp is influenced by the shape of a snail's shell and fractals, a mathematical concept based on growing patterns. The lampshade is made from top-quality plastic, sweeping around a central axis to produce a spherical, curved shape that is elegant and graceful.

The Swirl floor lamp casts a warm glow, the curved slats diffusing light into a glare-free glow that adds a cosy atmosphere to the room. Injected with Le Klint's DNA, the Swirl floor lamp is intricately designed, with every little detail being considered. Suitable for home and commercial interiors, the Swirl floor light adds a welcoming ambience to reception and lounging areas. To create a seamless lighting scheme in your room, match with other lights from the Le Klint Swirl collection.

PRODUCT SPECIFICATION

Light Source:	1 x Max 40W E27 (Excluded)
IP Code:	20
Dimming:	In-line on/off switch included on cable.
Dimensions:	Shade: Ø50cm Height: 140cm Cable Length: 265cm
