314 Table Lamp by Le Klint

Similar in style to the [311 table lamp](#), the 314 table lamp was designed in 1996 by Andreas Hansen. Made from opal white glass by skilled glassblowers, the elegant base combines with the hand-pleated plastic foil to create an iconic and timeless lamp inspired by vintage design.

Understated and subtle, this table lamp will easily fit in your décor whether at home or at work. With a nice diffused light, this lamp works well as an atmospheric light that will comfort and warm the room.
