HAY Sinker Pendant Light

We currently have limited stock of one of these items in our [Clearance section](#) .

The HAY Sinker Pendant Light was designed by Sebastian Wrong and features an elemental looking light that is available in a variety of finishes and sizes. The convex diffuser emits a warm and gentle light that illuminates the surroundings. The injection moulded shade creates a striking pendant light that adds a classic touch to any interior. The selection of colours, which are Oxide Red, Soft Black, Dusty Grey and Cream white, easily compliment any space.

Sebastian Wrong bases his designs on creating a balance between function, aesthetics and refinement. This can be seen in the design of the HAY Sinker Pendant Light that would be ideal for over a dining table or in a hallway.
