PRODUCT DESCRIPTION

Designer: Space Copenhagen

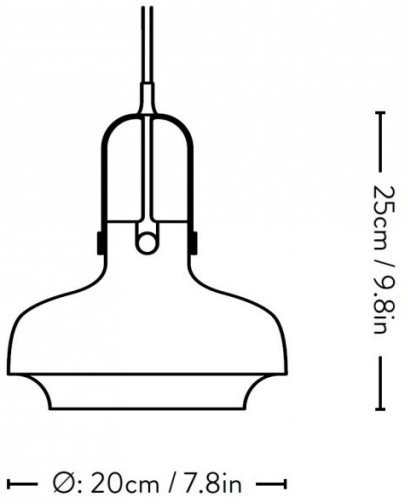

&Tradition Copenhagen SC6 Pendant

The Copenhagen SC6 Pendant is the result of Space Copenhagen's fascination with infusing contrasts in their designs. Pairing industrial, modern materials with traditional and classic lines, the studio created a pendant with a refined, curved lampshade and a contemporary metal fitting. The lampshade is crafted from either matt lacquered metal or opal glass. The metal shade is spun into shape from one piece of matt lacquered metal, while the glass shade is expertly mouth-blown. The bronzed brass fitting provides an industrial element against the elegant silhouette.

The key factor for the SC6 Pendant was to create a soft, cosy atmosphere. When illuminated, the pendant casts a gentle, glare-free, diffused light. Install individually or in multiples for an elegant and engaging expression. In larger spaces, cluster the SC6 Pendant in groups for a stunning statement that will leave a lasting impression. Display with other pieces from the **Copenhagen Collection** for a cohesive theme throughout the home.

PRODUCT SPECIFICATION

Light Source:	1 x Max 40W G9 (Excluded)
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Shade: Ø20cm Shade Height: 25cm Cable Length: 400cm
