Original BTC Fin Floor Lamp

The Fin floor lamp comes with Original BTC's trademark grey cotton braided cable and the handmade bone china shade sits atop a satin chrome stem and base. The Fin collection is created using traditional manufacturing methods by Original BTC's specialist team in their factory in Stoke-on-Trent, which creates beautiful products of the highest quality.

The [Fin collection](#) is a range of lighting products which make a statement whether lit or unlit. The rest of the Fin collection by Original BTC includes a range of pendants including multiple suspension and a table lamp and wall light.
