PRODUCT DESCRIPTION

Designer: Eric Sole

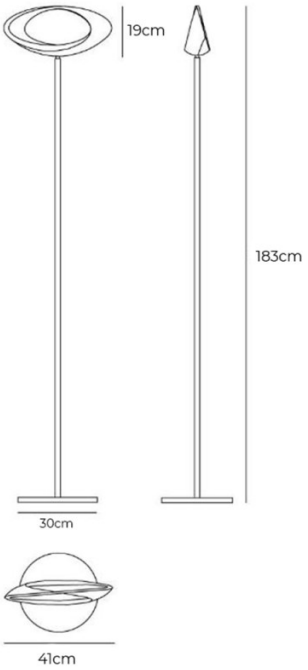

Artemide Cabildo LED Floor Lamp

The Artemide Cabildo Floor Lamp is a striking yet minimalistic design by Eric Sole that can adapt to a variety of interiors thanks to its sleek white finish. Cabildo is composed of a slender stem and an elongated shade that adds a sculptural element to your interior. Thanks to high-quality LED technology, this floor lamp provides functional, subtle illumination that is perfect for living rooms, dining areas, entryways and even for accent lighting in home offices.

The diffuser of the Cabildo LED Floor Lamp generates striking lighting effects when the illumination flows through it. When switched on, the glow shapes the lamp and brings out its form, like a ring of light. Cabildo also allows you to choose between a colour temperature of 2700K and 3000K, depending on the needs of you and your interior. In 2008, the Artemide Cabildo LED Floor Lamp was awarded the Good Design Award by the Chicago Atheneum.
