Brokis Mona LED Floor Lamp

A sculptural centrepiece for modern interiors, the Brokis Mona LED Floor Lamp brings Lucie Koldova's bold design language to a larger format. A smooth, hand-blown glass shade is traversed by a horizontal LED tube that emits a warm, decorative glow. The slim metal base and structural arm provide visual grounding, creating a sophisticated silhouette ideal for open-plan spaces or statement corners.

This floor lamp can be fully customised to suit your style, with options for the glass shade, metal finish, and cable colour. The warm output and elegant profile make it perfect for residential lounges, hotel lobbies, reading areas, and living spaces that benefit from sculptural ambient light.

This floor lamp can be provided as a dimmable version. Please [contact us](#) for more information and pricing.
