Brokis Mona PC949 Large Floor.

The Mona collection is based on the concept of penetrating forms. The light source boldly traverses the ample volume of smooth handblown glass to reveal the thrilling tension inherent in the design. The collection's essence, however, lies in its unconventional construction and refined combination of materials.

Cable Length: 1.2M

**The main image shows : Opaline Transparent Glass - European Oak - stained white – White Body – White Cable**
