PRODUCT DESCRIPTION

Designer: Lucie Koldova

Brokis Lightline Table Lamp

Designed by Lucie Koldova, the Brokis Lightline Table Lamp is a striking example of how light and glass can be harmonised into a sculptural, ambient form. The lamp features a sandblasted triplex-opal glass shade that diffuses light uniformly, creating the illusion of a glowing line when viewed in profile. Resting on a curved base that houses the light source, the form is both minimalist and poetic, blending modern design language with traditional glassmaking techniques.

The sandblasted surface is treated with a special nano-coating to resist dust and fingerprints, maintaining its pristine finish over time. Available in four sizes and a variety of colours and detailing options, Lightline is ideal for bedrooms, lounges, spas, and calm spaces where atmospheric lighting is desired. Its combination of smooth curvature, refined finishes, and gentle upward glow makes it a timeless statement in both residential and hospitality interiors.

PRODUCT SPECIFICATION

Light Source: 1 x Max 5W GU10 (Excluded)

IP Code: 20

Dimming: In-line dimmer included on cable.
