PRODUCT DESCRIPTION

Designer: Lucie Koldova

Brokis Lightline Table Lamp

The Brokis Lightline Table Lamp was designed by Lucie Koldova and is a celebration of glass as a lighting material, Lightline is a perfect example of the highly skilled glass craftsmanship that goes into Brokis designs. Lightline is available in four sizes and offers numerous glass finish options, as well as allowing you to choose the colour of the detailing. For this reason, Brokis Lightline is a perfect solution for someone who wants a highly unique lighting solution.

The silhouette of this table lamp resembles an elegant vase that is placed upon a curved base, this base houses the light source and results in a diffused upwards illumination. Thanks to the sandblasted cover, Lightline produces an intimate ambient illumination which reaches its full potential when displayed in areas of relaxation such as bedrooms, living spaces, dining areas, hotels or spas. Brokis Lightline is guaranteed to be an eye-catcher in your space, boasting a contrast of textures combined with bold colour finishes.

The Brokis Lightline Table Lamp is available in the following finishes:

Transparent Glass:

Transparent glass, Smoke grey, Dark smoke grey, Opaline, Amber, violet, Red, Blue and Orange.

Base Transparent Glass:

Transparent or Dark Smoke Grey

Base Material:

Glossy surface or Acid-etched both side surface
