Brokis Knot PC1018.

KNOT is a collection of stately pendent lights that appose two dramatically dissimilar materials. The design combines coarse natural fibre with smooth, transparent blown glass to arouse a contrast as striking as it is dignified. Full-bodied globes of varying shapes and sizes are penetrated by robust cords that seemingly pull the bottom of the glass inward for a bemusing plastic effect.

Different dimming options available, please contact us for more details.

**The main image shows Opaline Transparent Glass –
Brushed stainless steel Finish – Natural Cable**
