PRODUCT DESCRIPTION

Designer: Chiaramonte Marin

Brokis Knot LED Pendant

Designed by Chiaramonte & Marin, the Brokis Knot Pendant Light is a bold fusion of refined craftsmanship and raw materiality. The design pairs handblown glass shades with robust natural fibre rope, which appears to cinch the base of the glass inward, creating a unique tension between softness and structure. The rope runs through the centre of each pendant and forms the namesake knot at the base, adding an unexpected tactile element.

The integrated LED source is housed within a stamped metal hood and diffused by a handblown opal cover, providing ambient yet functional light. Available in various shapes, sizes, and glass finishes, the Knot Pendant can be suspended individually or as a sculptural cluster. Whether hung above a dining table, staircase, or hospitality space, it delivers a warm, layered glow with a striking visual identity.

This product is available with a range of dimming capabilities, including 1-10V, Dali and Casambi. Please contact us for more information and pricing.

PRODUCT SPECIFICATION

Light Source: **PC1037:** 6.5W, 2700K, 849 Lumens
PC1034: 5W, 2700K, 636 Lumens
PC1036: 3.4W, 2700K, 425 Lumens
PC1035: 6.5W, 2700K, 849 Lumens

IP Code: 20

Dimming: Non-Dimmable.

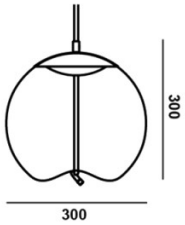

Dimensions: **PC1037:**
Shade: Ø30cm
Height: 14.5cm
Cable Length: 279.5cm

PC1034:
Shade: Ø18cm
Height: 28cm
Cable Length: 266cm

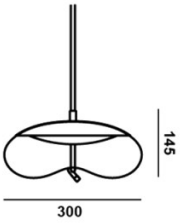

PC1036:
Shade: Ø18cm
Height:29cm
Cable Length: 265cm

PC1035:
Shade: Ø30cm
Height: 30cm
Cable Length: 264cm

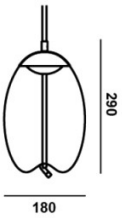

PC1035

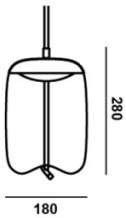

PC1037

PC1036

PC1034
