PRODUCT DESCRIPTION

Designer: Rainer Mutsch

Axolight Orchid AP Wall/ Ceiling Light

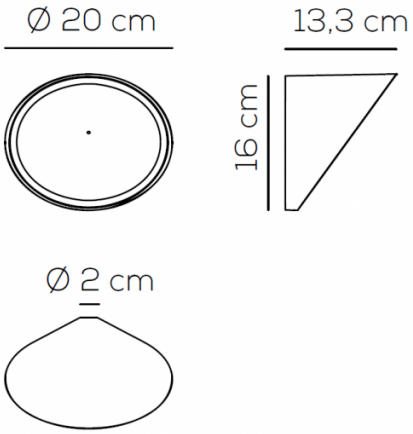

Austrian designer Rainer Mutsch created the Orchid Wall/ Ceiling Light for lighting brand Axolight. Mutsch drew inspiration for the **collection**, which mirrors the delicate beauty of the orchid flower. The fixture is characterised by its conical diffuser that mimics the funnel of a flower. This sculptural design allows the Orchid Wall/ Ceiling Light to add a decorative presence to any space, even when not in use.

The Orchid Wall/Ceiling Light can be positioned to offer either direct or indirect lighting. The conical shade guides light into a wide beam. This broad spread of light is perfect for task lighting, used to illuminate a table in a bright, functional glow. When illuminated, the Orchid bathes the surface it sits on in a soft, ambient light, adding to the luminaire's decorative aesthetic. Display individually, in pairs to frame a doorway, or in rows to provide uniform lighting.

The Axolight Orchid Wall/ Ceiling Light is available in 15 bold finishes, including yellow, red, green, brown, and grey. Contact us for more information.

PRODUCT SPECIFICATION

Light Source:	15W, 3000K, 1375 Lumens
IP Code:	20
Dimming:	Dimmable via mains phase dimming.
Dimensions:	Ø20cm Height: 16cm Depth: 13.3cm
