PRODUCT DESCRIPTION

Designer: Ferruccio Laviani

Kartell Kabuki Pendant Light

Part of the [Kabuki collection](#) from Kartell art director Ferruccio Laviani, the Kartell Kabuki Pendant Light retains all the key characteristics of the original [Kabuki Floor Lamp](#) in the form of a suspension light.

Kartell have used the latest iteration of their signature injection-moulding technology to create an intricate, lace-like structure through which light is diffused. The contrast between the resulting neo-baroque aesthetic and the cutting-edge process required to construct it is a recurring element in Laviani's designs (his [E' Pendant](#) is another example) which allows this light to fit equally well into both modern and classical environments, with its dimmable, integrated LED light source producing a warm ambient glow which is particularly perfect for illuminating intimate dining spaces.

The Kabuki Pendant is available in five colour options which you can mix and match to create your own unique cluster or arrangement. Combine with other members of the Kabuki family, such as the [indoor](#) and [outdoor](#) floor lamps and [Mini Kabuki](#) table lamp, to ensure a consistent design aesthetic throughout your home or commercial space.

PRODUCT SPECIFICATION

Light Source: 1 x max 15W E27 LED (excluded)

IP Code: 20

Dimming: Non-dimmable.

Dimensions: 73 cm shade height
Ø 50 cm shade
268 cm cord length
