Northern Balancer Floor Lamp

The Northern Balancer Floor Lamp was designed by design duo Yuue. The heavy base of The Balancer acts as an anchor for the lamp with the shade as the counterbalance; conveying the inspiration behind the lamp's name. The Balancer Floor Lamp features a sleek, geometric profile. The frame is manufactured using black, powder-coated steel which acts as a striking contrast against the light that emanates from the diffuser. The frosted, globe-shaped diffuser filters light into a glare-free glow that surrounds the lamp.

Interactivity is at the heart of the Balancer Floor Lamp. The shade can be focused upwards to illuminate your surroundings, or downwards to create an ambient light in your interior. The light from the Balancer is both diffused and direct, creating a balance of atmosphere and ambient lighting. The Balancer is also available as a [Wall Light](#), which can be displayed with the floor lamp to create a contemporary display throughout your home. Perfect for adding ambient lighting in bedrooms, hallways, or communal spaces.

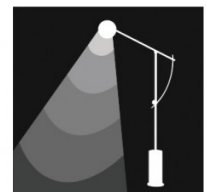

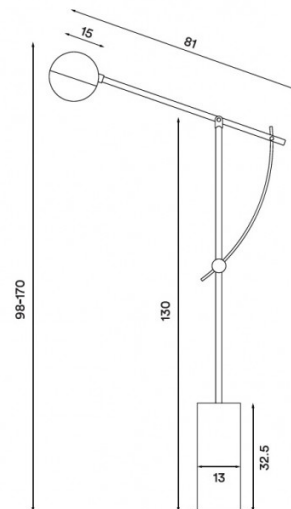

PRODUCT SPECIFICATION

Light Source: 1 x Max 60W E27 (excluded)

IP Code: 20

Dimming: In-line dimmer included on cable.

Dimensions: Height: 98-170cm
Arm Length: 81cm
Shade: Ø15cm
Base: Ø32.5cm
Base Width: 13cm
Base Height: 32.5cm
Cable Length: 200cm
