PRODUCT DESCRIPTION

Designer: Omer Arbel

Bocci Series 76 Multiple Pendant Light

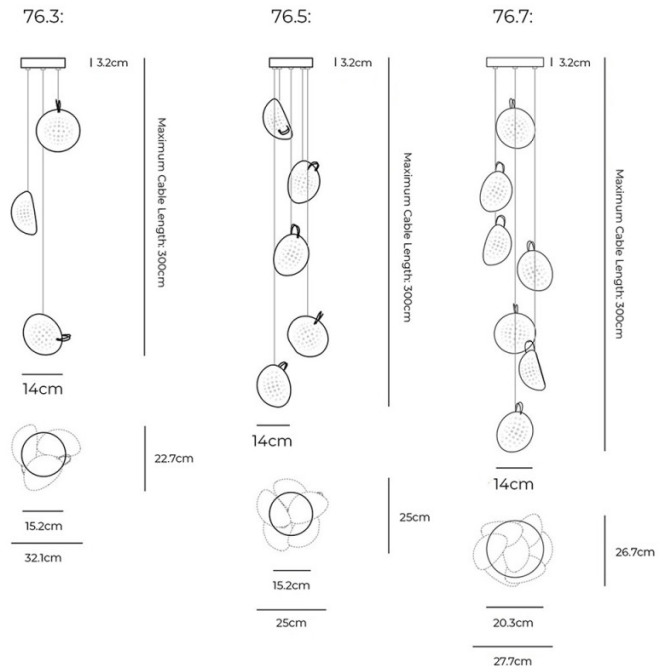

Designed by Omer Arbel, the Series 76 Multi Pendant Light is available in a configuration of either 3, 5 or 7 pendants, arranged on a round brushed nickel ceiling canopy. Each shade is made from layers of clear and white glass, formed into an intriguing pattern that is achieved by using a vacuum to draw the glass through copper mesh layers.

The interesting and unique look of the Series 76 Multi Pendant makes it suitable for many settings, looking beautiful in both domestic and professional interiors. You can use over tables to provide a useful glow or as a centrepiece light to draw the eye and provide warm illumination. Combine with other lights from the **Bocci 76 Series** to create a consistent lighting scheme throughout your space.

Please Note: All Bocci Suspension Lights come with a white ceiling canopy as standard. Other finishes are available; please contact us for more information and pricing.
