Bocci 87 Series Multiple Pendant

The Bocci 87 Series Multi Pendant is made up of 3, 5 or 7 pendants from the **Bocci 87 Series**, arranged on a round ceiling canopy with adjustable cables so you can personalise the height. Each lampshade is made from hot glass that is pulled and stretched around a peg, which then cools to form a folded, elegant shape.

The 87 Series Multiple Pendants come in a transparent/white finish and produce a soft yet effective glow, perfect for many settings. The magnificent aesthetic of the pendant creates a beautiful atmosphere and can be a central focal point in any room. Use in homes and professional settings for decorative and functional lighting, and choose between a non-dimmable (LED 1W) or dimmable (Xenon 10W) light bulb, which is included in the purchase.

Please Note: All Bocci Suspension Lights come with a white ceiling canopy as standard. Other finishes are available; please contact us for more information and pricing.
