PRODUCT DESCRIPTION

87 Series Multiple Pendant Light by Bocci

The 87 Series multiple pendant is made up of 3 or 5 pendants from the [Bocci 87 Series](#), arranged on a round ceiling canopy with adjustable cables so you can personalise the height. Each lampshade is made from hot glass that is pulled and stretched around a peg which then cools to form a folded, elegant shape.

The 87 Series multi pendant lamp comes in a transparent/white finish and produces a soft yet effective glow, perfect for many settings. The magnificent aesthetic of the pendant creates a beautiful atmosphere and can be a central focal point in any room. Use in homes and professional settings for decorative and functional lighting and choose between a non-dimmable (LED 1W) or dimmable (Xenon 10W) light bulb, which is included in the purchase.

This multi pendant is also available with 7 pendants. Please [contact us](#) for more information.

Please Note: All Bocci Suspension Lights come with a white ceiling canopy as standard. Other finishes are available, please [contact us](#) for more information and pricing.
