Muuto Airy Coffee Table - Large

The biggest in the collection, the Muuto Airy Large Coffee Table combines a thin welded metal frame with a slim plywood tabletop - resulting in a geometric but minimalistic table. Airy creates a geometric and sophisticated silhouette that is further refined by its three simplistic finishes (Off-White, Black or Grey).

Designed by Cecilie Manz, the Airy Table is suitable for a range of functions, and has a playful yet quiet personality, making it an easy addition to any space. Particularly stunning in living rooms, hotels, cafes and reception areas.
