Lee Broom Crystal Bulb Pendant

We currently have limited stock of this item in our Clearance section.

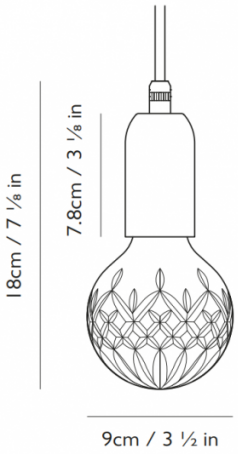

Taking inspiration from the delicate craftsmanship of crystal cutting, the Lee Broom Crystal Bulb Pendant combines industrial influences with decorative qualities, transforming the everyday light bulb into a beautiful ornamental light fitting for your home. Each Crystal Bulb Pendant is handcrafted utilising traditional techniques and hand cut with a classic crystal pattern that was inspired by those found on traditional whiskey glasses and decanters.

The Crystal Pendant fitting is engraved with the Lee Broom logo and is available in either Brass or Chrome. You can also choose between either a clear crystal bulb or a frosted bulb. This personalisation ensures the Crystal Bulb Pendant can adapt to a wide range of interiors. This pendant can add a touch of elegance to both residential and commercial environments, providing ambient lighting next to your bed, in your living room, above your kitchen countertops and over dining tables. The Lee Broom Crystal Bulb Pendant can also be utilised in the hospitality sector, specifically in bars, restaurants and hotels.

Each pendant fitting comes with matching fabric cable and ceiling rose.
