PRODUCT DESCRIPTION

Designer: Jens Fager

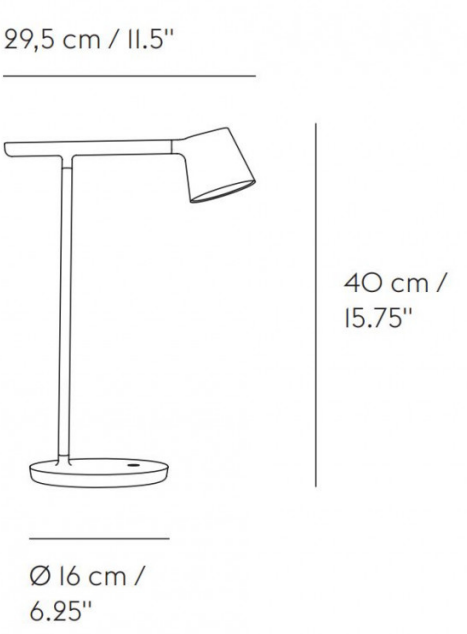

Muuto Tip LED Table Lamp

The Muuto Tip Table Lamp was designed by Jens Fager, and holds an architectural silhouette. During the initial design phase, he and his team went through every single detail to make sure it was perfect, including its functionality. The Tip serves its purpose, an easy-to-use and everyday table lamp for everyone and every room.

Molded aluminium was used to cast the lamp and the material gives the Tip lamp a smooth and clean look while highlighting its quality. The head is adjustable as is the body and you can adjust the light direction whichever way it suits you. The Tip also holds a dimmable function, with the light gradually fading when it is switched on or off. You can select between 5 colour options: black, copper, grey, white or light green.

PRODUCT SPECIFICATION

Light Source:	7W, 2700K, 200 Lumens
IP Code:	20
Dimming:	In-line dimmer included on product.
Dimensions:	Height: 40cm Depth: 29.5cm Base: Ø16cm Cable Length: 200cm
